My beloved , Dear friend.

"I will never fail thee nor forsake thee" - Hk. 13.5

Thy everlasting faithfulness let the deep and abiding love of joy and peace unto glory be fully revealed thru you!

Your precious letter so graciously spoke and refreshed my heart with tears of joy for His goodness to you. That in all your weakness you have truly found the pearl of a great price and to be determined that health and energy might never divert you of so great a prize!

Doubtless you have heard thru the letters to the assembly of the great things the Lord has been doing. Yes how perfectly + powerfully I am conscious of the Lord directing in every detail and never doubt it being attributed to the faithful prayers of His saints!

With such tenderness all upon these journeys the Lord ~~is~~ is near in my loneliness thru the power of His presence I could never be lonely and reveals His wonders of communion to be.

Particularly thru the HIGHER DISCOURSES of JN. 13-17 He has been revealing Himself to me and with amazement He invites me to such a Union of intimacy with Him. Though inconceivable ~~and~~ I cannot doubt Him and so pursue believing all He has!

Every manifestation of His kindness; every expression of gratitude for the ministry; every life

joined to deeper commitment and love for the  
Saviour but lowers me in humility before  
His feet that He would use such a vessel  
for His glory. The more I see of Him  
the more I sense my transition from  
dust and ashes ~~to~~ it is no longer I  
but Christ. When I see what discourages  
people so easily I see how they lack  
hope [even Christians]. When the  
world's ~~of~~ on fire how assuring to know  
the refuge of the Mighty Rock within  
a weary land.

Oh [redacted] Now I thank God for your kindred  
spirit in Christ to rejoice with me in that  
glory which can satisfy Christ. Christ  
is the Fount of Living Water. How sweet  
to know the sense of seeing Him —  
Jn. 12. 45; 14. 19; 16. 16; 1Pe. 1. 8; 14. 8-9; 16. 25  
Faber is so right for I am 'seeing' it!  
'For what ~~desire~~ <sup>sight</sup> is to heaven  
Desire is to earth'  
So said the Lord Jesus, Jn. 15:11 cf. 1Pe. 1. 8  
So glory ~~is~~ but the fulness of joy  
and the glory we 'see' Him.  
So said Paul + our Lord! 2Co. 3. 18 cf. Jn.  
17. 24

Thank you for your faith, love, prayers and  
companionship. The Lord abundantly  
bless you. Greet with much love  
all my beloved friends, the brethren,  
the workers and the saints.

IN THE BONDS OF HIS ETERNAL LOVE,

Ro. GEORGE
